

Boy Scout Troop

Spring Flower & Vegetable Sale

From:

TO:

Hello,

I am a Boy Scout out of local Scouts BSA Troop 101. I'm selling plants and flowers for a fundraiser to help support my Troop and the activities that we do. Please consider shopping with us as you begin planning your landscaping this spring. The attached list shows the plants and flowers that we are offering. One of the benefits of ordering through us is that we deliver all of the items directly to your door. All orders are due by May 10th and will be delivered approximately May 22-29.

I live locally and will be walking through the neighborhood this week. Should I miss you, please contact me at the email address or phone # provided below and I will stop by to visit your home by appointment. The Home Landscape company is our sponsor and all plants and flowers are all nursery grade. Thanks for your support!

Sincerely,

Variegated
Perennial

ALYSSUM
Annual. Tiny flowers that spread and make a good ground cover. Grows 3-5" tall. Use for borders, rock gardens, hanging baskets. In full bloom, emits a sweet smell (especially the white flowers). Attracts bees, butterflies and birds. Requires very little attention. Plant in full sun to partial shade. Available in whole and half flats of white flowers.

ASPARAGUS FERN
Annual. Accent plant. Asparagus fern is an easy house plant and a popular annual grass for outdoor branches. The stems have slender branches with bright green needle-like foliage. Grows 12-24". Plant in full sun to shade. Available in 4" pots.

ASTER
Perennial. Known for its fall colors, the aster blooms from mid-July to mid-October. Use in beds, pots or for cutting. Grows 2'-4". Plant in sun or partial sun. Available in 1-gallon pots.

ASTILBE
Perennial. Feathery plumes of flowers. Cut flowers are long-lasting. Grows 26" tall. Thrives in cool, moist conditions and are beautiful in a woodland setting or in borders and containers. Attracts hummingbirds. Available in 1-gallon pots in pink, white or red flowers.

BACOPA
Annual. Accent plant. Covered with tiny blossoms all season. Great for low edging and mixed containers. Grows 4-8" tall. Plant in full to partial sun. Available in 4 1/2" pots.

BEE BALM
Perennial. Unsurpassed in its ability to attract hummingbirds, bee balm also attracts hummingbirds and other nectar-seeking creatures. Bee balm tolerates wet soil and readily multiplies. Grows 2'-4" tall. Plant in full sun to light shade. Available in 1-gallon pots.

BEGONIA—MIXED
Annual. Used in borders, beds or pots, but mass them alone as they don't do well planted with other annuals. Attracts hummingbirds. Grow 6-12" tall in sun or partial shade. Available in whole and half flats of mixed colors.

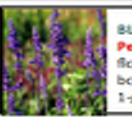

BEGONIA—NON STOP
Annual. Vibrant colors with dark foliage and semi-double or double flowers. Used in containers and beds. Grows 8" tall in partial shade or shade. Available in 10" baskets & 4 1/2" potted plants of red flowers.

BLEEDING HEART
Perennial. This shade-loving perennial is an excellent addition to any garden. The name bleeding heart describes the unique flowers which resemble tiny pink or white hearts with drops of blood at the bottom. Plant under shrubs or evergreens. Grows 10-18" tall. Available in 1-gallon pots of pink flowers.

BLUE SALVIA
Perennial. This is a favorite of many gardeners because it's a cinch to grow, flowers profusely all summer, and is wonderfully drought tolerant. Great for both beds and borders and containers. Grows to 2-4 feet tall in partial shade or shade. Available in 1-gallon pots of blue flowers.

CATMINT
Perennial. This blooms beautifully in late May and early June, and again in August. After it blooms, the low mounds of foliage offer a soft, gray-green color and fragrance. Grows to 1-3 feet tall in full to partial sun. Available in 1-gallon pots of blue flowers.

COLEUS
Annual. Brilliant foliage in a wide range of colors. Grows 10-15" tall. Use in beds, borders and pots. Plant in partial sun or shade. Available in whole and half flats of mixed colors.

COLUMBINE
Perennial. Columbine is an early summer flowering plant and one of the easiest perennials to grow. They are loved by hummingbirds, are perfect for cut flowers, and have a long season bloom. Columbine grows 1'-3' tall. Grow in full sun to partial shade. Available in 1-gallon pots.

CONE FLOWER
Perennial. An old-fashioned favorite for traditional perennial gardens. Provides an abundance of brightly colored blooms all season long. Attracts butterflies. Grows 48" tall. Plant in full sun. Available in 1-gallon pots purple flowers.

CORAL BELLS—PURPLE PALACE
Perennial. Scarlet, bell-shaped flowers on wiry stems. Grown for its attractive foliage. Flowers are loved by hummingbirds. Grows 18-24" tall. Plant in sun or partial sun. Beautiful in woodland settings, borders and containers. Available in 1-gallon pots.

DRACAENA SPIKE
Annual. Accent plant. Provides height and contrast to bushy and cascading flowers. Long, green, grass-like leaves grow up from a common point with leaves arching downwards. Grows 24-36" tall in full sun to shade. Available in 4" pots.

FUCHSIA
Annual. Colorful bell-shaped flowers on upright branches. Plant in partial shade or shade and keep out of the wind. Attracts hummingbirds. Use in hanging baskets. Available in 12" basket of pink and purple combination flowers.

GERANIUM
Annual. This is a large flowered plant that is used in beds, borders and pots. Attracts hummingbirds. Grows 12-15" tall. Plant in full sun. Available in 4" pots of red, white or pink flowers.

Troop 101 Plants & Flowers

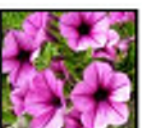

GERANIUM—IVY

Annual. This geranium has trailing growth with ivy-shaped leaves. It tolerates all soil conditions and grows 12-14" tall. Used in hanging plants or for ground cover. Plant in sun or partial sun. Available in 14" deluxe basket in red or pink and 10" basket in red, pink or lavender.

PETUNIA

Annual. These plants have an excellent weather resilience. Blooms all summer long. Attracts butterflies and hummingbirds. Grows 12-15" tall. Plant in sun or partial sun. Available in 10" baskets of red, white and pink colors; also in whole and half flats of mixed colors.

GERBER DAISSY

Annual. Elegant daisies bear brightly colored flowers above dark foliage. Attracts bees, butterflies and birds. Excellent cutting flowers. Grows 10-12" tall. Use in borders, containers or beds. Plant in sun or partial shade. Available in 4 1/2" pots.

PHLOX—CREEPING

Perennial. Good groundcover with showy blooms. Tolerates hot, dry conditions. Great for rock gardens and border fronts. Attracts bees, butterflies and birds. Grows 4-6" tall. Plant in full sun. Available in 1-gallon pots in pink or blue flowers.

GRASS—KARL FORESTER

Perennial. Evergreen grass with pinkish, feather bloom in spring that matures to gold in summer. Grows 5-6' with a 24" spread. Tolerates full sun with low to moderate water needs. Available in 1-gallon pots.

SNAPDRAGON

Annual. This is a great plant for cut flowers. Use in beds, borders and backgrounds. Attracts butterflies. Grows 6-36" tall. Plant in sun to partial sun. Available in whole and half flats of mixed colors.

HOSTA—VARIEGATED

Perennial. Green, heavily ribbed leaves form elegant clumps. Mauve flowers appear in mid summer. Trouble free and long lived. Excellent for shady places or as a mixed border plant. Grows 18" tall. Available in 1-gallon pots.

SWEET POTATO VINE

Annual. Trailing vine. Excellent for hanging baskets and container gardens where a trailing effect is desired. Twining growth. Plant in full sun. Available in 4 1/2" pots.

IMPATIEN

Annual. Large flowers on compact plants that tolerate shade well. Grows 8-12" tall. Low maintenance. No deadheading required. Used in borders, beds or pots. Attracts hummingbirds and butterflies. Available in 10" baskets of pink, red or purple; also whole and half flats of mixed colors.

VERBENA

Annual. Low-growing plant with colorful flower clusters. Grows 6-12" tall. Attracts butterflies and hummingbirds. Plant in full or partial sun. Good in hot, dry areas. Used in borders, beds and baskets. Available in 4 1/2" pots of purple flowers.

IMPATIEN—DOUBLE ROSEBUD

Annual. Blooms resemble small roses. Make wonderful container or bedding plants in the summer. Best in partial shade. Grows 8-12" tall. Attracts hummingbirds and butterflies. Available in 4 1/2" pots of red, pink or violet.

VINCA

Annual. This compact, bushy plant has showy flowers and tolerates summer heat well. It grows 12" tall in full sun. Used as a groundcover or in containers. Available in whole and half flats of pink and purple flowers.

IMPATIEN—NEW GUINEA

Annual. Large flowers with variegated or dark foliage, used in beds, pots or containers. Attracts hummingbirds and butterflies. Grows 12-24" tall. Plant in sun or partial sun. Available in 10" baskets of pink or red.

VINCA VINE

Annual. Accent plant. A low-maintenance, fast-growing plant that is great for cascading in containers or used in window boxes. Plant in full sun to shade. Available in 4" pots.

LANTANA

Annual. Clusters of tiny flowers against gray green foliage. Attracts hummingbirds and butterflies. Grows 24" tall. Used in pots or borders. Plant in full sun. Available in 4 1/2" pots.

ZINNIA

Annual. Easy to grow plant that will reach between 12-30" tall. Used in borders, window boxes, planters and patio pots. Attracts butterflies and hummingbirds. Plant in full sun. Available in whole and half flats of tall varieties.

LILY OF THE VALLEY

Perennial. A slow but aggressive spreader, Lily of the Valley prefers shade and will grow in most soil types. Fragrant bell-shaped flowers are followed by glossy red berries. Grows to 6" tall. Available in 1-gallon pots.

MARIGOLD

Annual. The marigold is easy to grow and has a long growing period. Tolerates dry and poor soil and all weather conditions. Used in beds and borders. Attracts butterflies. Grow 10-12" tall. Plant in full sun. Available in whole and half flats of mixed flowers.

MOSS ROSES

Annual. Choose Moss Roses if you need a plant that flowers where it's hot and dry. Moss roses are tolerant of heat and drought and are ideal for rock gardens, along walkways and at the edge of flower beds and borders. Grows about 6" tall. Plant in full sun. Available in whole and half flats of mixed colors.

PANSY

Annual. Early profuse flowers that bloom late into the season. Has a high tolerance for frost. Attracts butterflies. Used in pots, beds and borders. Grow 6-9" tall. Plant in full sun. Available in whole and half flats of mixed colors.
